HL7's Consolidated® CDA Test Summary – IHE North American Connectathon 2016

Table Key:
The stars (*) in the table below represent Consolidated CDA participants who successfully tested software that created or consumed HL7's Consolidated CDA® documents.

- Document Creators tested one or more document types.
- Document Consumers were required to test with a representative subset of the different document types.

Version:
HL7 CDA® Implementation Guide for Version 2.1: C-CDA Templates for Clinical Notes DSTU 2.1 (US Realm) Draft Standard for Trial Use August 17, 2015.

	Document Creators											**Document Consumers**
	Care Plan	Continuity of Care Document	Consult Note	Diagnostic Imaging Report	Discharge Summary	Operative Note	Procedure Note	Progress Note	Referral Note	Transfer Summary	Unstructured Document	Consolidated CDA Consumer
